

2nd Annual, Oct 22-28, 2022

Walnut Creek Sustainability Week

Welcomes the community to

Learn, Engage, and Act for the Planet!

Free events all week!

EcoFest in Civic Park on Saturday, October 22, 2022, from 11 am – 3 pm

- Kids, create EcoArt at the Art Zone and Trick-or-Treat with your costumes.
- Laugh and learn with Eco Circus Entertainment with EarthCapades.
- Sing along with Martin and his green guitar.
- Check out transportation at the EV and E-bike Expo

Ask the experts at Information Booths

- How do I go solar, electrify my home, and reduce my energy costs?
- How do I use less plastic, and reduce, reuse and recycle more?
- What can I do to eat healthier, more sustainably, and waste less food?
- How do I convince my local and national legislators to protect our planet?

Bike Valets make it so easy to bike to the EcoFest!!

Learn so much more at events all week long, online and in-person

- [Register](#) for Bike East Bay's Family Cycling Workshop on Sunday in Lafayette.
- Learn how you can Increase Your Climate Activism Footprint, online community meeting Sunday at 7 pm.
- Join Health Coach April Capil at Ygnacio Library or online, 6-8 pm Monday, to find out how Delicious Healthy Foods can help Save Our Planet.
- See how local homeowners have electrified their homes, tour online Thursday
- Friday's wrap-up will highlight the role of Youth Activism in the Climate Movement and reveal the Sustainability Report Card for our communities.
